Subject: Microsoft Settlement

Dear Sir or Madam,

I am just an ordinary citizen who has been following the actions against Microsoft. As such, I have been concerned about the apparent government actions as a plan to "get Microsoft". The actions of Judge Penfield Jackson were particularly inappropriate, in my opinion.

I want to be counted among those who oppose further action against Microsoft. I strongly believe that the proposed settlement offers a reasonable compromise that will enhance the ability of seniors and all Americans to access the Internet and use innovative software products to make their computer experience easier and more enjoyable.

Thank you for allowing me to express my opinion.
